

Welcome to Dengeo's

Over a thousand satisfied customers served daily! With two expansions and four renovations, Dengeos has come to be one of the fastest growing restaurants in the north suburbs.

Established in 1972, Dengeos offers a wide variety of high quality Greek and American specialties such as: gyros, ribs, Greek & BBQ chicken, burgers, and the famous Dengeos salads.

Along with its homestyle cooking, Dengeos' hospitality and quick service makes it a great alternative to other fast food environments.

The spacious dining area is a great place to celebrate a birthday or little league championship. This kid friendly restaurant welcomes the entire family to eat generous portions without the hefty price tag!
